

Columbarium General Information

1. Niches are 8" X 8". Each niche will accommodate two (2) urns.
2. The present cost is \$2,000 to \$8,500 per niche (based on location). This cost does not include (i) fees for any other services required in connection with inurnment (including religious services of committal), or (ii) the cost of cremation, transportation or other off-church premises costs. Fees include an urn for each person inurned, approved inscription on the niche and perpetual care of The Shepherd's Garden.
3. The Lovers Lane United Methodist Church Board of Trustees reserves the right to increase the price of the niches when it is necessary to do so. Once a niche is purchased there will be no additional costs or fee increases to the Subscriber.
4. Use of any "non-standard" urn is discouraged (and may not be possible) and must be approved by the Columbarium Committee.
5. Heirs are responsible for making cremation arrangements directly with the Crematorium or Funeral Home including the transfer of cremains into the urn.
6. Memorial stones are available to memorialize loved ones, including those who are not inurned in the garden. The \$2,000 cost includes the stone, the inscription and the perpetual care of the Garden.
7. All inscriptions on niches will be uniform and include only name, date of birth and date of death. All inscriptions on memorial stones must be approved by the LLUMC Director of Facilities.
8. No wreaths, flowers, balloons, etc. may be left in the Garden.
9. Memorial services can be held at the Church. It is the responsibility of the Heirs to make those arrangements with the Church.
10. Appointments must be made with the Executive Director of the LLUMC Foundation to select a niche or a memorial stone, complete appropriate applications and forms and make payment.
